#### **9 Resolution on the discharge of the members of the Board of Directors and the CEO from liability**

## **10 Presentation and adoption of the Remuneration Report**

As participation in the Annual General Meeting is possible only in advance, the Remuneration Report 2020 published by the Company by a stock exchange release and on the website [www.tietoenvry.com/agm](http://www.tietoenvry.com/agm) on 2 March 2021, is deemed to have been presented to the Annual General Meeting. The Remuneration Report 2020 describes the implementation of the Company's Remuneration Policy and provides information on the remuneration of the Company's governing bodies during the financial year 2020. The resolution by the Annual General Meeting on adoption of the Remuneration Report is advisory.

## **11 Resolution on the remuneration of the members of the Board of Directors**

The Shareholders' Nomination Board proposes that the remuneration of the Board of Directors elected by the Annual General Meeting and employee representatives elected as ordinary members of the Board of Directors be kept at the same level as in 2020.

According to the proposal, the annual fees of the Board of Directors elected by the Annual General Meeting would be as follows: EUR 125 000 to the Chairperson, EUR 70 000 to the Deputy Chairperson and EUR 53 000 to the ordinary members of the Board of Directors. In addition to these fees, it is proposed that the Chairperson of a permanent Board Committee will receive an annual fee of EUR 20 000 and a member of a permanent Board Committee an annual fee of EUR 10 000. It is also proposed that the Board members elected by the Annual General Meeting will be paid EUR 800 for each Board meeting and for each permanent or temporary committee meeting. Further, it is proposed that the remuneration of the employee representatives elected as ordinary members of the Board of Directors will be an annual fee of EUR 15 000.

The Shareholders' Nomination Board is of the opinion that increasing the long-term shareholdings of the Board members will benefit all the shareholders. Every Board member elected by the Annual General Meeting is expected to accumulate, over a five-year period, a shareholding in TietoEVRY that exceeds his/her one-time annual remuneration.

The Shareholders' Nomination Board therefore proposes that part of the annual remuneration may be paid in the form of TietoEVRY Corporation shares purchased from the market. An elected member of the Board of Directors may, at his/her discretion, choose from the following five alternatives:

- 1 No cash, 100% in shares
- 2 25% in cash, 75% in shares
- 3 50% in cash, 50% in shares
- 4 75% in cash, 25% in shares, or
- 5 100% in cash, no shares.

The shares will be acquired directly on behalf of the members of the Board within two weeks from the release of the Company's interim report 1 January–31 March 2021. If the remuneration cannot be delivered at that time due to insider regulations or another justified reason, the Company shall deliver the shares later or pay the remuneration fully in cash.

Remuneration of the employee representatives elected as ordinary members of the Board of Directors will be paid in cash only.

## **12 Resolution on the number of members of the Board of Directors**

The Shareholders' Nomination Board proposes to the Annual General Meeting that the Board of Directors shall have eleven members elected by the Annual General Meeting.

### **13 Election of members of the Board of Directors and the Chairperson**

### **15 Election of the auditor**

The Board of Directors proposes to the Annual General Meeting, in accordance with the recommendation of the Audit and Risk Committee of the Board of Directors, that the firm of authorized public accountants Deloitte Oy be elected as the company's auditor for the financial year 2021. The firm of authorized public accountants Deloitte Oy has notified that APA Jukka Vattulainen will act as the auditor with principal responsibility.

The recommendation of the Audit and Risk Committee is included in the proposal of the Board of Directors that is available on [www.tietoevry.com/agm](http://www.tietoevry.com/agm).

### **16 Authorizing the Board of Directors to decide on the repurchase of the Company's own shares**

The Board of Directors proposes to the Annual General Meeting that the Board of Directors be authorized to decide on the repurchase of the Company's own shares as follows:

- The number of own shares to be repurchased shall not exceed 11 800 000 shares, which currently corresponds to approximately 10% of all the shares in the Company. Only the unrestricted equity of the company can be used to repurchase own shares.
- Own shares can be repurchased at a price formed in public trading on the date of the repurchase or at a price otherwise formed on the market.
- The Board of Directors decides how the share repurchase will be carried out. Own shares can be repurchased inter alia by using derivatives. The Company's own shares can be repurchased otherwise than in proportion to the shareholdings of the shareholders (directed repurchase).

### **17 Authorizing the Board of Directors to decide on the issuance of shares as well as on the issuance of option rights and other special rights entitling to shares**

The Board of Directors proposes to the Annual General Meeting that the Board of Directors be authorized to decide on the issuance of shares as well as on the issuance of option rights and other special rights entitling to shares referred to in chapter 10 section 1 of the Companies Act in one or more tranches as follows:

- The number of shares to be issued based on the authorization (including shares to be issued based on the special rights) shall not exceed 11 800 000 shares, which currently corresponds to approximately 10% of all the shares in the Company. However, out of the above maximum number of shares to be issued no more than 950 000 shares, currently corresponding to less than 1% of all of the shares in the Company, may be issued as part of the Company's share-based incentive programs.
- The Board of Directors decides on the terms and conditions of the issuance of shares as well as of option rights and other special rights entitling to shares. The authorization concerns both the issuance of new shares as well as the transfer of treasury shares. The issuance of shares as well as of option rights and other special rights entitling to shares may be carried out in deviation from the shareholders' pre-emptive right (directed issue).

The authorization cancels previous unused authorizations to decide on the issuance of shares as well as on the issuance of option rights and other special rights entitling to shares. The authorization is effective until the next Annual General Meeting, however, no longer than until 29 April 2022.
